GOVERNMENT SUPPLIES TO FREEDMEN TO CEASE APRIL 10TH.

Gen. Charles H. Howard, Assistant Commissioner of the Freedmen's Bureau for this Distrie, has just promulgated the following circular:

Bureau, Refugees, Freedmen and Abandoned Lants, Headquarters Assistant Commissoner. District of Columbia, Washington, March 31. 1866. - Circular No. 3. - By the successful operation of the employmert offices in this city and in Alexandria, and branch offices sustained by benevalent associations in Baltimore, Ph la elphia, and other northern cities, employment at good wages has been found suifici nt for all the able-bodied freed people who a e without work, and for all who are working for wages inadequa e to the support of their

By this, and similar means, the Assistant Commission r is prepared to provide for a l colored orphan children. Among the instrumentalities for this purpose may be mentioned the "Colored Orphans' Home." Georgetown, and the "Farm School" of M. H. De Mariel, near Easte n B anch Park, in this District. where those between the ages of seven and fifton will be generally cared for. All who are sick will be taken in charge by the Medical Depar ment of this Bifreau. The aged and is firm, a d those perma ently disabled, will be pro-ided with comfortable houses at Fre dwen's Village, Arling on, Va., and at the "Soldier's Res." Alexandria.

There being, therefore, no longer any need of is-uing Government supplies to the fre d people of this District, by this Bureau, all such issues will cease on the loth of April next. Thereafter Government relief to the fleed people will be afforded only in the manner abo e

The soup houses will be closed, and the dist ibution if w od and clothing will to discon tinu. d. It is believed that this measure, whi h may seem harsh or unkind, and may even resale in some soffering in a limited number of ces s will be of great and ermanent ben lit to

all the colored , o, ulation of the Dist ier. The A sistant Commission r would be peak the comperation of all the renevote t associations having agents here, the preachers of colored churches, and all others interested in the well-being of the freed people, to aid him in inducing those who are idle, or working for insufficient wages, to accept of the good places off-red and leave this District. And any other of the freed people who can ought to go elsewhere, both for their own advantage and that of those who remain. Rents will thus be reduced, wages increased, and in all re-perts the condition of the freed people here be improved. And those who go away not only leave a crowded, prison-like locality, where their very freedom is intringed upon by their own numhers, but they go forth to new opportunities for development of their faculties, where they will have the credit of self-support, as well as
